

## Decision to cancel the procurement procedure

Unipetrol výzkumně vzdělávací centrum, a.s., having its registered office at Revoluční 84/ 1521, Ústí nad Labem, Postal Code 400 01, Identification Nr.: 622 43 136 (hereinafter referred to as the „Contracting authority”) as a contracting authority of the public tender „Continual distillation”, ev. nr. VZ Z2018 - 015252 (hereinafter referred to as the „Public tender”) decided, in compliance with § 127 clause 2 letter d) of the Act No. 134/2016 Coll., on Public Procurement, as amended (hereinafter referred to as the “PPA”), that

**the procurement procedure on the Public tender is canceled.**

### Rationale:

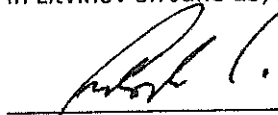

The Contracting authority intended to award the Public tender in simplified below-threshold procedure as per § 53 of PPA. The Contracting Authority has inadvertently published a notice in the Public Procurement Bulletin announcing the initiation of a procurement procedure using the form F02, which raised doubt on the type of procurement procedure and the related rights and obligations of both the Contracting authority and the tenderers.

The transparency of the procurement procedure was threatened by this fact and therefore the Contracting authority decided to cancel the Public tender and repeat it pursuant to a procedure regulated under PPA for simplified below-threshold procedure.

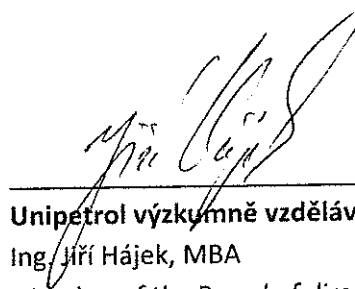

The Contracting Authority further states that no offers have been submitted yet.

**Edification:** It is possible to file an objection against the Decision to cancel the procurement procedure on the Public Tender pursuant to § 241 et seq. PPA. The complainant has to deliver the objection against the Decision to cancel the procurement procedure on the Public tender to the Contracting authority within 15 days from the delivery of this decision.
